Bricks in this brochure were photographed and printed to match the original brick as closely as possible; however, production runs vary slightly in color. Color ranges occur in each production run.

Pacific Clay's colors are produced from natural clays - color ranges are inherent in the product and should be sampled accordingly. Weights listed are averages; individual bricks may vary in dimension and weight while maintaining accordance with ASTM specifications.

Pacific Clay Brick Products maintains the right to revise packaging and products inventories.

# Thin Line

Our Thin Line Collection offers impeccable style and durability. Featuring the look of full brick, but with a light weight advantage, our 3/4" thin brick offers the unique styling and versatile design capabilities essential for creative projects. Thin Line is manufactured under tightly controlled processes to ensure its beauty, durability and lasting value.

Use Pacific Clay Thin Line alone or accompanied with additional product offerings such as Bullnose, Pavers and Face Brick.
